WORKING PROFESSIONALS

At Aarambh, our goal is to help working professionals and college goers alike who are bound by tight schedules with very limited time for preparation.

We have designed our course within a duration of 6 months with classes taking place over the weekend to make sure you don't miss out on your daily work.

We provide step by step preparation with 24x7 guidance and a doubt solving platform where you can freely put forward your doubts for clearance. We will be having a detailed discussion of the previous year's questions to also set the base for your prelims and mains with study materials for the respective courses and your answers being evaluated by serving officers. You will also be guided through the CSATs and prepared for the essay writing and the interview part.
